

# GTW GEARWRENCH

## 89 PIECE AVIATION TEP INTRODUCTORY SET

GEARWRENCH mechanics tools have all been designed with the professional user in mind to increase productivity, access, and strength. The ratchets, sockets, and wrenches are made from premium alloy steel and feature a full polish chrome finish that resists rust and corrosion. Large, hard-stamped markings allow for easy identification. Additionally, the off-corner loading design puts force on the flats of fasteners for improved durability and reduced fastener rounding.
