

80 PIECE 1/4", 3/8" & 1/2" DRIVE HEX & TORX® BIT SOCKET SET

The GEARWRENCH 80 piece Torx® and hex bit socket set includes the most popular sized hex & Torx® bit sockets and External Torx® sockets. The set is contained in a blow mold case for storage and organization. Our sockets are manufactured from alloy steel and are heat treated for maximum durability. The bits are manufactured from S2 steel. The tools in this set are intoned to be used with manual tools only.
