

GEARWRENCH

MODULAR TOOL SETS

Consists of multi-piece assortments of quality GEARWRENCH tools, each organized in a sturdy foam storage tray. The chemical and solvent resistant trays are designed to fit a range of tool storage systems for optimal organization. This modular design allows users to customize their own toolkit and storage system. Sets feature components selected to provide a complete range of specific tools, each nested in a custom cutout that protects while keeping tools organized and accessible. Trays are orange and black with high visibility size markings for quick tool identification.

FOAM STORAGE TRAYS

Premium Solvent Resistant

Foam storage trays built to last and handle almost any working setting, while providing long lasting protection to the set's contents

Pre-Cut Nested Tool Storage

Each tool nests in a laser-formed cutout that provides protection and keeps tools organized and easily accessible

High Visibility Size Markings

Foam storage trays have GEARWRENCH orange cutouts with black tops that feature high visibility white size markings for quick tool identification
