

TOOL STORAGE

GEARWRENCH Tool Storage products are built for the day-to-day needs of professional users. Designed with durability, access and maximum storage capacity in mind, they provide superior tool storage solutions for the toughest work environments. Tool chests, cabinets and tool carts are designed to optimize even the most advanced user's workspace and include features like a textured coated finish, integrated power strips, heavy-duty industrial casters and aluminum drawer pulls. When paired with our full line of mechanics hand tools, GEARWRENCH Tool Storage products cover the needs of every level of a professional user.

TOOL CABINETS

Heavy Gauge Stainless Steel Worktop

Provides sturdy and reliable working surface

Tubular Lock and Key

For added security of cabinet contents

Privacy Drawer

With independent lock for extra security

18 Gauge Steel Drawers

8-Drawers with 150 lbs capacity ball-bearing slides; 10-Drawers with 300 lbs capacity

Side Handle

For ease of transporting the heavy-duty cabinet

Premium Drawer Foam Liners

For extra tool protection

Full-Height Corner Bumpers

Protect cart and surroundings

Trigger Lock System and Double Aluminum Drawer Pulls

Allow smooth operation on opening and closing

Built-In Charging Station

With 6 outlets, 2 USB ports and an on/off switch

16 Gauge Steel Body

For added strength and durability

Textured Coated Paint Finish

Provides increased resistance to corrosion, weather and staining

83249
72" W x 24" D 18-Drawer
Rolling Tool Cabinet

Heavy Duty 8" x 2" Spring Loaded Polypropylene Casters

With breaks and reinforced caster channels for greater mobility and strength. Each caster tested for weight capacity up to 1,760 lbs

Additional Set of Caster Nutplates

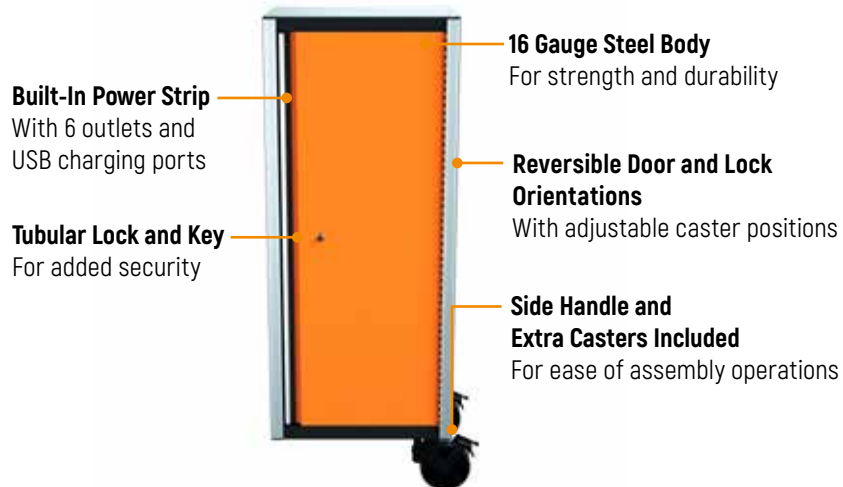

On either end in the middle for locker mounting
